## **PRESIDENT'S CORNER**

Well, this has been another fairly good month for riding, considering that we are still deep in Winter. **Rose Ann** and I just returned from a short trip to Canada. After trudging around in the snow, driving on ice, and putting up with more snow falling for 2-1/2 of the 3 days we were there, we realize how blessed we are to live in Texas. Summers may be **HOT**, but at least we can **RIDE** most of the year round!

Several of our members are recuperating from illness and "tune up" surgeries. **Terry Sides** had a heart attack on December 30th while in Florida. She underwent successful surgery and is recuperating at home. She and **Jack** want to express their thanks for the support of all their friends. **Robert Christopherson, Sheila Wedgeworth, and Ken Frazer** are all on the mend after corrective surgeries. We wish all of them a speedy recovery. If there are others we aren't aware of, please let us know so we can keep in contact.

The greatest thing about February is that Spring is normally just a few weeks away. With the promise of better weather to come, we will be planning some day excursions to various destinations. One of the first will be to the Denison area to make up for the cancelled trip last fall. Watch for this some time in March or April. We may schedule a couple of dates, then send out an e-mail when the weather looks good.

Our Spring Hill Country trip is definitely on for the first weekend in April. If you are thinking at all about going, I would encourage you to make reserva-

tions. You can always cancel them, but once our blocks of rooms are gone, there may not be any accommodations. More information is available on this trip in the article on P3.

A date has been set for the Experienced Rider Course that **Steve Wedgeworth** has set up. The date will be Saturday March 27th and the class can accommodate up to 12. The class is over half full at this time, so get your reservations in. The phone number and additional information is on P3.

In the meantime, stay warm and safe. Ride when you can, and get those maintenance items taken care of on the bikes in preparation for a fun year.

Ride Safe!!!

**Lt. Dan**

## **MEETING MINUTES**

### Meeting Minutes - Continued

There has been a great turnout for the Saturday rides during January. We had 17 bikes on January 3rd, when **Super Dave Hurt** took the group to the Granbury area. We had another 10 bikes on January 10th, even though it was a chilly day.

**Steve Wedgeworth** discussed the upcoming Experienced Rider Course that he has arranged. It will be held on March 27th at American Honda in Irving. There are still about 5 slots open in the class.

The upcoming Spring Wildflower ride to the Texas Hill Country was discussed. This will be a two tiered ride, with one group leaving on Friday morning and a second group leaving on Saturday. The two groups will join up in Fredricksburg on Saturday.

"Cadillac" **Dave Cothren** presented the treasurer's report, showing that we have a total of \$432.11 on hand.

The 50/50 drawing was held and the winners were **J.W. Honaker**, **Ken Frazer** and **Steve Wedgeworth**.

The meeting was adjourned.

## SAFETY PRIORITY #1

### Two Up = Heads Up

©**Jackie Vaughan**, used with permission.

The person who occupies the back seat of a motorcycle has always been called the passenger. Now they're called co-riders and it isn't simply to be politically correct. The word passenger suggests a person who has no responsibilities for the operation of the machine; one who is simply along for the ride. A co-rider, on the other

hand, shares some of the responsibilities for the safe operation of the motorcycle.

Sitting in the back seat means a lot more freedom to enjoy the scenery without worrying about the technical part of the ride. But with the freedom comes responsibility. A co-rider does not have the right to bury herself in a book or to take a nap. A blanked out person on the back seat is of absolutely no help and may even be an additional danger if the ride has to brake or swerve suddenly. Her reflexive actions (such as to grab the rider wherever she can or to lean away) will probably be exactly the wrong ones.

The co-rider should ride as exactly that, a co-rider. Not a passenger, but a second rider. While it is always preferable that the co-rider has had a motorcycle safety course, even the normal street skills used in everyday driving will help in spotting hazards. Being an extra pair of eyes for the rider doesn't mean being a back-seat nag. It means spotting hazards and knowing how the rider normally reacts and being ready to help in that effort. If the rider does not show that reaction, the co-rider should speak up. An experienced co-rider knows how hard her rider brakes during normal braking, and whether hard-line braking will be necessary. She prepares herself by holding the grab rails and bracing her feet. She does not slide forward, banging helmets and pushing the rider onto the tank. When she spots a pot hole or a large piece of rubber, she knows her rider will soon swerve, and she is prepared to let the bike move under her. She knows when it's OK to move around, and lets her rider know when she will make a move, such as scratching her ankle, which will affect the balance of the bike.

The rider also has the responsibility to communicate with his co-rider. He should let her know when a nasty bump is coming or if he wants to counterweight a turn. He shouldn't

play "surprise" just because he finds her reactions funny.

Two-up riding is a team sport. And that means working together to make the ride fun and safe for both.

## NEW MEMBERS

I would like to welcome our new members for the past month. **Keith Goolsbee** from Carrollton and **Robert Stockburger** from Arlington. We look forward to seeing you both out on some of our activities.

### Thought for the Month

We could learn a lot from crayons: some are sharp, some are pretty, some are dull, some have weird names, and all are different colors...but they all exist very nicely in the same box.

## CLUB LOGO SHIRTS

Club logo shirts are now available and orders are being accepted by **Ken Frazer**. There are two styles of shirts, long sleeve and short sleeve denim and golf style short sleeve. The golf style shirts are available in Tan, Black, Yellow, and Light Blue. The total costs are \$26 for the denim shirts and \$24 for the golf type, including tax. Contact **Ken** at (972) 393-0776 or [apparel@dfwfreedomriders.org](mailto:apparel@dfwfreedomriders.org) to order. Orders are to be pre-paid and we will not stock any shirts.

### Spring Flower Ride

April 2-4, 2004

Steve Wedgeworth

The club will be doing a two night wildflower ride to Fredericksburg, TX on April 02, 2004. Due to the amount of people who visit the Hill Country during this time of year, I felt it was important to get a jump on reserving hotel rooms in the area.

One group will leave at 10:00am on Friday morning, spend Friday night in

Kerrville, then ride some Hill Country Roads on Saturday morning. A second group will leave at 8:00 AM on Saturday and get into Fredricksburg early afternoon. The Kerrville group will meet the second group in Fredricksburg on Saturday afternoon.

There are 10 rooms blocked at the Y.O. Resort in Kerrville for Friday night under the name DFW Freedom Riders. The reservation number is **800-531-2800**. You will need to confirm your own reservation prior to March 1. The rate is \$89 for two queen beds. All rooms are alike.

I have 25 rooms (10 King/15 Double) reserved at the Holiday Inn Express in Fredricksburg for Saturday Night under DFW Freedom Riders. You will need to call the Holiday Inn at **830-990-4200**, make a reservation in your name and with your credit card. The cost of the room is \$99 + tax. This is the group rate for this time of the year. Rooms that are not reserved by March 1 will be returned to the hotels.

You should have time to get in some shopping or additional riding if that is what you want to do. I have dinner reservations at Andy's Steak and Seafood Grill that night. On Sunday Morning, we will ride the Willow City Loop and then head for home. After you make your reservations, please let me know so I can keep a running tally on what we have left. You can email me at **swgoldwing@1scom.net** or call me at **817-741-1333**.

## Big Bend Trip

**April 12-16, 2004**  
**by JJ Jean**

I will be taking a group to Big Bend leaving Monday, April 12, 2004 and staying at the Fort Davis State Park. Campers will stay in the camping area, and the motellers will be staying at the Indian Lodge. We will leave Friday, April 16, 2004 to go to Marble Falls for the GWTA State Rally. I will be taking care of the Big Bend trip only. Most of us will be camping in Marble Falls for the State Rally, and the ones that do not want to go to Marble Falls can go back home. If you plan on going to Big Bend, I need to know no later than December 20, 2003. This way I can get the Lodge and the camping reservations taken care of.

## Ride for the Fallen

**April 24, 2004**

There will be a Ride for the Fallen, honoring officers killed in the line of duty in Austin on Saturday, April 24. Proceeds from the run will go for the upkeep of the Peace Officers Memorial in Austin. **Cathy** and I did the ride last year and there were about 400 motorcycles on a beautiful ride through the Hill Country. We plan on taking a group this year from our church leaving Friday after work and coming back Saturday afternoon. Flyers and more information will be available later.
